# Bitvark. *is Hiring*

We are a small communication agency located in Pavia (Italy) looking for a smart junior developer to join our team.

**What we need:**
A curious, pro active person, looking forward to learn new things.
Experience in web development with HTML, CSS, Javascript, PHP.
Basic knowledge of CMS.
Availability for full time commitment in Pavia.

**Bonus:**
Knowledge of Drupal.

**What we offer:**
A desk and a working station (your choose on Mac, Linux, FreeBSD, or even Windows).
A 6 month full-time contract with the real possibility of turning it into a permanent contract.
A competitive wage.
A young and thriving working environment, open to new ideas.

Surprise us with your CV and portfolio (choose whichever format you like) at *jobs@bitvark.it*, please indicate 'Smart Developer @ BitVark' in the email Subject. We'll answer to all, we promise.
